Leland Adds New Distribution

DuBois, PA (November 2, 2009) Leland Brake and Wheel, one of North America's leading suppliers of foundation air brake parts announces new distribution.

Jason Gerding, President and Bill Laughlin, Director of Sales are pleased to announce the addition of Dayton Clutch & Joint to our distributor family. "Dayton Clutch is the oldest premier independent brake, clutch and driveline specialist in Dayton, Ohio. They have been in business for over 56 years", says Laughlin. "We are extremely pleased as they will represent our brand well in that marketing area and in Lima, Ohio", he adds.

Leland Brake and Wheel Parts, headquartered in DuBois, Pennsylvania is a Marmon Highway Technologies company that distributes foundation brake parts for medium and heavy-duty trucks, trailers and buses. MHT serves original equipment manufacturers, highway transportation companies and the automotive aftermarket with a comprehensive line of products. MHT companies are members of The Marmon Group, an international association of more than 125 business units that operate independently within diverse business sectors and have collective revenues of \$7 billion. The Marmon Group is a Berkshire Hathaway company.
