**NEWS ANNOUNCEMENT  
For Immediate Release**

**Leland Adds New Distribution**

DuBois, PA (September 4, 2009) Leland Brake and Wheel, one of North America's leading suppliers of foundation air brake parts announces new distribution.

Jason Gerding, president and Bill Laughlin, Director of Sales are pleased to announce the addition of Power Brake Service located in Brooklyn, New York to our distributor family. "Power Brake is a premier supplier of commercial brake product and service to the New York metropolitan area for over 60 years", says Laughlin. "We are extremely pleased as they will represent our brand well in that marketing area", he adds.

Leland Brake and Wheel Parts, headquartered in DuBois, Pennsylvania is a Marmon Highway Technologies company that distributes foundation and hydraulic brake parts for medium and heavy-duty trucks, trailers and buses. MHT serves original equipment manufacturers, highway transportation companies and the automotive aftermarket with a comprehensive line of products. MHT companies are members of The Marmon Group, an international association of more than 125 business units that operate independently within diverse business sectors and have collective revenues of \$7 billion. The Marmon Group is a Berkshire Hathaway company.
